# NOT ME: Simpson denies fling with Khloe's

**EX-JAILBIRD O.J. Simpson** has allegedly been offered £100,000 to do been a LIVE DNA test on reality telly show Keeping Up With The Kardashians.

With The Kardashians.
Rumours have been rife for years that Khloe Kardashian, 33, is the daughter of 70-year-old Simpson.
And now the family have offered him the cash tempter to put an end to the gossip.
Simpson's lawyer Malcolm LaVergne said he was approached by a producer of the family's reality show while Simpson was still behind bars.
He said: "(the producer) said that Kris (Jenner) had given her

blessing for the show to have Mr Simpson do a paternity test with Khloe.
"I was told that having the results of the paternity test shown on TV would be the highest-rated Kardashian show of all time."
Faller sports icon Simpson

Fallen sports icon Simpson was released from prison in October after serving nine years of his 33-year sentence for kidnapping and armed robbery.

He has always denied that he is Khloe's dad and has reportedly refused the Kardashians' mega money deal. His attorney added: "He still says 'hell, no!' to it. He told me that he had never been inappropriate with Kris."

Khloe has also refused

Khloe has also refused several requests to take a DNA test despite Kris, 62, admitting

to cheating on her first husband, Robert. A close pal of Khloe said: "Her mom keeps pushing her and O.J to take the test in a shameless effort to boost ratings.

She said: "I learnt that I'm definitely looking for a man now. I've always gone for boys, but I want a tall, dark, handsome man.

"I want to prove to people that I'm so much more than Brooklyn Beckham's ex. "We'd go to Covent Garden and we'd have a security guard with us. # Sir Ken gets his freedom

SIR Kenneth Branagh has said he is humbled to receive the freedom of his native Belfast.

The film director and actor receives the honour after leaving the city aged nine. He played a central role in the 1980s 'Billy' plays which portrayed a Protestant working-class family in Belfast.

Sir Kenneth (above) said he had been shaped by Belfast and added: "It is very humbling and frankly amazing to follow in the footsteps of so many extraordinary people including very fine artists and particularly, and especially last year, the nurses of Belfast."

## WITH lighter nights on the way and spring just around the corner, of couples might be looking to spice up their sex lives this year.

this year.

And we've got the hottest top tips on how to have the ideal OUTDOOR SHAGGING session later this year. For those who enjoy a bit of risk, romping outdoors can give you an extra thrill – but some might be too nervous to take their fantasy any further.

But follow these top five tips from sex expert Tatiana Hardacre, who loves to be at one with nature, and you'll have the perfect outdoor bonk.

BE PREPARED

## **BE PREPARED**

Tatiana said: "Taking your sex life outside might be a spontaneous thing for most couples but it is best to plan ahead. "Taking a few things along for the ride

can make things way more comfortable for you both – a thin blanket to lay down on and perhaps a towel to clean up after is a good idea."

## WATCH OUT FOR HAZARDS

Nothing says mood-kill like getting stung by plants or creepy crawlies and learning to identify plants which can cause stings could be a good idea.

No one wants to go home with nettle stings in their nether regions.

# By BECCA STUBBS becca@sundaysport.co.uk

## DRESS FOR SUCCESS

Knowing what to wear for easy access but still looking sexy is tricky but Tatiana has this sound advice: "Go commando,

has this sound advice: "Go commando, it's one less layer in your way!

"A nice summer dress makes it easy for a fella to bend a girl over discreetly, while a loose pair of shorts that can be whipped down when things get heated always help."

## DON'T BE IN PLAIN SIGHT

While the thought of being watched may turn you on even more, it's important not to be caught.

Public sex isn't illegal in the UK but

you can face charges for indecent exposure if you are seen by members of the public.

So make sure you're slightly off the beaten track.

## **KEEP THINGS OUIET**

Tatiana said: "Although you might scream in pleasure at home, it's not advised when you're outdoors as it can easily give the game away!
"Stick to quiet moaning and whispered dirty talk and it will not only be sexier for both of you but you're less likely to get caught out."

WE TO LOOK TO LOOK TO LOOK

### Dear Kelly,

I WAS at my local swimming pool the other day when I bumped into this busty blonde. I was doing the backstroke and she was doing the butterfly.

I apologised and we got chatting. I couldn't take my eyes off her massive tits and she reached down and gave my throbbing cock a squeeze before leading me to the deep end.

The pool was deserted and she asked me to give her one. I

The pool was deserted and she asked me to give her one. I eased her swimsuit to the side and knobbed her in front of the "no petting" sign.

We were at it for a good five minutes and just about managed to avoid being caught by the lifeguard.

She now wants to meet on a regular basis for some pool sex. I'm not sure, as I think we could get caught.

What should I do?

TF, Hants

**Kelly says...**JUST keep your eyes peeled as you do your lengths while slipping her a length.

### Dear Kelly,

I'VE only ever had a passing interest in computers until I saw an ad for courses at my community centre and decided to go along to try to

get some experience that would help me get a new job.
I'd expected the tutor to be a nerdy, bespectacled boffin – but I was amazed to find that she was a brunette who favoured short, tight Skirts and white blouses.

I made slow progress because I was transfixed by her body rather

than my screen.

I also started having problems with my mouse – the one in my trousers, that is. It swelled at the merest sight of her sexy stocking

She tried to encourage me and we stayed behind after lessons, where she played with my mouse until it was a rampant rabbit.

But when I tried to shag her, my rabbit turned into a mouse again. She said I was lacking in RAM.

### I gave uni stunna full marks for her brilliant dirty work

### Dear Kelly,

MY neighbour's daughter is 19, with a great body and she has always been very flirty with me despite me being twice her age.
Last month she came to see me and asked for help with her university music assignment. She looked really hot in a short skirt and low-cut top. After an hour, she said she'd had enough of studying for the day and asked if I wanted to do anything else. It seemed like an obvious come-on and she suddenly threw her arms around my neck and kissed me full on the lips—slipping her tongue in too.

Then her hand went down to my groin to unzip my flies and in

seconds she was on her knees with my swollen cock in her gob. Well, I didn't last long and soon shot my load down her throat – and she swallowed the lot, the dirty little cow!

So I pushed her back on the couch and licked her sweet fanny.

I was soon rock-hard again and I flipped her over and gave her a proper seeing-to, doggy-style. She's been back since for more

She's been back since for more of the same, but her dad's a bit of a nutter and I'm scared he'll find out and batter me.
What should I do?

Kelly says...

MAKE sure he doesn't find out. Or move house!

### Dear Kelly,

I'M 36 and I split up with my wife last year. I moved into a new home and got to know my neighbours.

They were really nice people and the proud parents of a lovely 19-year-old daughter who knocked about

with her equally gorgeous pal, who is 18.

Last week I was having a bath when the doorbell rang and I had to answer it with a towel wrapped around my private parts

parts.
 I was shocked when I saw it was the two girls and even more curious when they asked me to go get them a drink.

### Sucking

They were dressed in miniskirts and low-cut tops that showed off their lovely tits.
I couldn't take my eyes off them and one of the girls suddenly bent down and yanked my towel off and said: "So you like what you see then?" In an instant she was down on

In an instant she was down on her knees in front of me and wrapped her lips around my rock-hard cock, sucking on it while the other girl pulled her G-string off and started to lick her pal's clit.

Then they swapped positions and

the other one got my knob in her mouth and her pal's tongue up her fanny. They told me to lie back and one

of them straddled me and eased her hot, wet pussy down on my throbbing length.

ner not, wet pussy down on my throbbing length.

She started to go like the clappers, bouncing up and down on my shaft as her tits swung about wildly.

The other girl then knelt over my face and slowly squatted down, separating her plump fanny lips so I could get my tongue up her slit.

After she came over my face she got up and knelt on all fours and demanded: "I want to be f\*\*ked doggy-style."

So I slipped my throbbing dick deep into her and kept pumping until she had a shuddering orgasm.

The other girl went round the

front and pulled her fanny open and let her mate get her nose in. She also had one hell of an orgasm. Then it was the other girl's turn to demand a good f\*\*king and I was only too happy to oblige. She lay on her back and I pushed her less over her shoulders before

### Party host fed me a nine-inch treat

### Dear Kelly,

I WENT to a neighbour's party a few weeks ago with my husband. We're in our mid-20s and I was wearing a micromini and heels.

The neighbours are in their 40s. The woman is a bit of a bag, but her fella is a right charmer who couldn't take his eyes off me.

As the party wound down, my sloshed hubby was out of the game, unconscious in a corner. The old boy helped get my fella back to ours, then told me I looked gorgeous.

I felt very horny and he had a large bulge in his trousers, so I pulled down his zip and out it sprang – huge, thick and rock-hard.

I impaled myself on his nine-incher and slid up and down in estasy. I came three times before he shot his load.

I sucked him back to hardness and lay back on the sofa. He bent my legs back to my chest

on the sofa. He bent my legs back to my chest and licked my fanny before easing his cock all the way in.

He banged away for an age, grabbing my tits and telling me I was a dirty little whore.

A few days later, he came round and screwed me in every hole. I had six orgasms.

Afterwards, he told me that he's found a new place to live and wants to leave his wife and wants me to move in with him.

I'm tempted because the sex with him is

### Kelly says...

IT'S a big decision. The age gap could become a problem. Why not just see him on the side?

### Dear Kelly,

I'M a mature student at college and I've been getting quite a lot of attention from some of the vounger females on my

course recently.

Even though I'm an ugly bald bastard with no personality, these babes are a bit naive and are like

putty in my hands.

There's one in particular who I've boned a couple of times. She's 21 and very slim with long, dark hair and a cracking rack on her.

She started coming on to me after we'd both been extras in a student film.

I took her home one night after we'd been to a coffee house and after the usual "come in for a nightcap" charade, she stripped off and gave me a frantic tit-wank

Then I pumped her from behind before she rode me and I even managed the slightly tricky "wheelbarrow" position before we orgasmed.

A couple of days later I noticed some of her mates giggling as I walked past

Apparently, she told them I was a lovegod and now they ALL want me. Should I go for it? AP, north London

Aussies are not undercooked going into the tournament.

Hohns said: "In our winter Hohns said: In our winter here we go to play five one-dayers against England again, so we will be trying at that stage to get a unit to-gether that hopefully can play together and stay to-gether leading into the World Cup.

### Bayliss: We must be favourites for big one

ENGLAND coach Trevor Bayliss believes the Three Lions are favourites to win the 2019 World Cup.

As well as having vital home advantage, Eoin Morgan's men have also

been blowing their rivals away in the one-day game. They have just spanked the Aussies 4-1 on their

own turf despite being hit by injuries to key bowlers. In all, England lost just three of the 22 one-dayers

Bayliss said: "The way we have been playing one-day cricket over the last few years and the way we continue to play, and obviously with the World Cup at home, we should be one of the favourites. "Only time will tell how we handle that but, if we go in to all of the series

**England** managed to beat the Aussies without key all-rounder Ben Stokes in the team.

He will be back in the fold this summer and gives the already strong team a welcome boost.

But Bayliss has warned the Durham man that he won't walk straight back

into the team.

The coach added: "It is a good problem and he

Morgan's place is no threat despite his iffy form with the bat. He added: "The way this

Another tricky handicap to round off proceedings at Leicester and the eye is drawn to Dark Invader, the mount of Richard Johnson, but I will take a punt on TACTICAL MANOEUVRE.

Alex Dunn's horse would have needed his comeback run at Exeter so you can ignore that run and focus on last season's run at the same course where he hacked up off a mark of 90.

Scotland head to Cardiff with a couple of injury problems.

They are without lock Richie Gray with a calf problem and the Toulouse player has stayed in France for treatment. Assistant coach Mike Blair said: "Richie wasn't

Gray's brother Jonny will play but there are problems up front with most of Scotland's first choice forwards struggling with injury.

It was thought that Spurs would refuse to sell the big Spaniard to a club rivalling them for a Champions League spot. But chairman Daniel Levy will reportedly let the 32-year-old go if the Blues cough up a big fee
